

The RHS Theatre Booster Association invites all Families and Friends of the RHS Theatre Program for their support during 2020/2021 school year.

Your financial donation will help support Theatre Programs at Roswell High School that enhance our students' skills and performance levels. This year we hope to raise enough funds to purchase much needed **Stage Lighting** that will not only benefit the Performing Arts but also the entire school. We also want to purchase a **Traveling Sound Board** so the students can perform musicals at the One Act Competition and local venues. Our **2020/2021 Goal is \$8000**. Please give what you can. All Donations are Greatly Appreciated! Visit RoswellTheatreCompany.com for more information on our Program.
